Bob: Lisa just left for the day. She will call you tomorrow morning. I also was not able to join the call but I understand that the region worked though the communication plan for next week for providing data to the first set of homeowners and notifying PaDEP. Betsaida will be coordinating all HQ comments on communication materials.

Lisa -- looks like the 5:30 with Bob P was rescheduled. Can I get a download on the call?

We don't have a call on calendar for today. We are getting one scheduled for Tuesday and would propose weekly call through end of March.
